

# Sayre Area School District Superintendent Search

**The Sayre Area School District Board of Directors is seeking a candidate who:**

- Upholds the highest standards of integrity and ethics.
- Develops and implements comprehensive educational programs aligned with the district's mission and goals.
- Oversees the effective and efficient utilization of district facilities, property, and funds.
- Demonstrates outstanding communication skills and the ability to build strong relationships with the board, staff, students, and community members.
- Actively engages with the community and fosters an environment of collaboration and inclusivity.
- Visits schools regularly to monitor programs, evaluate effectiveness, and support student learning and achievement.

.....

The district's education facilities are organized into two buildings. These include the elementary school, H. Austin Snyder and the High School, all serving approximately 900 students. The district is known for its strong emphasis on academic achievement, athletic programs, and community collaboration. Sayre is a vibrant community offering a rich history, scenic beauty, and a supportive environment for families and educators.
